General Notes:

- After the term of the contract, the contract continues on a month to month basis
- Background IP is billed per Megabyte with a 100 kb minimum and a 10 kb increment. The minimum applies to each search session call record.
- Voice and streaming are billed with a 30 seconds minimum and a 15 seconds increment. The minimum applies to each search session call record.
- In case of de-activation, the term of the contract remains due
- Downgrading plans involves a fee of \$200, upgrading is FREE
- There is a one time activation fee of \$37.50 on all plans except the High Plan and the Super Plan
- Background IP is a shared bandwidth that runs in the background allowing other services, such as voice calls, to be used simultaneously; it is charged per Megabyte (1024 kb). Only the data effectively transmitted is billed, this allows to remain connected to the Internet without being charged if no data is transmitted
- The Basic Plan does not permit ISDN or streaming services
